*A non-profit organization
 dedicated to providing
 financial assistance to
 patients with malignant
 diseases*

How to Receive Assistance...

Any person receiving active treatment for cancer with a financial need who lives in the Mahoning Valley Region is eligible. Physicians, patients and other interested parties should contact the Fund at the address listed.

Disbursements of funds are determined by the Board of Trustees. No credit or financial arrangements will be made.

Items not covered include:

- physicians fees
- inpatient hospital bills
- any cost covered by insurance programs or third party carriers
- costs covered by Medicare, Medicaid, medical assistance plans or other resources
- costs not directly related to treatment of malignant diseases

Fighting Disease...

Malignant cancer diseases cause patients and families to confront physical and emotional circumstances that can be devastating. While the Fund cannot alter a prognosis, it helps ease the anxieties, and assists with the costs associated with cancer treatment.

The Fund assists with the expenses that arise from malignant diseases for patients actively being treated.

Coverage can include:

- drug and medication costs
- transportation to local or distant medical facilities
- other various household expenses

100% of The Silver Lining Cancer Fund disbursements stay in the Mahoning Valley Region.
